Our Legal Process Explained

At West One we understand that speed is often of the essence when it comes to buying a house or completing a remortgage. Our legal process is designed to give us more control over the completion process so we can work with you and your clients to meet important completion deadlines.

How it works

West One works with a limited panel of conveyancers who are the only firms able to act on West One's behalf. This is sometimes referred to as a closed panel. We do not operate with an open conveyancing panel typically offered by conveyancing panel manager firms.

At West One we offer 3 legal services.

Free Fast Track Remortgage Legal Service

Our fast track remortgage legal service is now available free of charge to customers who are remortgaging or capital raising on an unencumbered property for loan sizes up to £750,000. This free legal service offers a streamlined conveyancing process, which is provided exclusively by our internally appointed firm of solicitors who work on behalf of West One.

It's free legals but not as you know it!

By the time the offer is issued, all legal work has been completed making next day completions possible. During the whole of 2024 our average time taken from offer to completion for borrowers using our fast track remortgage service was just 9 days.

What are the benefits?

- A free legal service provided by on-site independent legal firm offering a dedicated service to West One borrowers.
- The same service is available via our Scottish Solicitors for borrowers located in Scotland.
- The borrower does not need to incur additional costs by appointing separate legal representation.
- By the time the offer is issued the legal work has been completed.
- Both you and your client have more control over when the case completes with the option of next day completions.
- Includes capital raising remortgages. For debt consolidation cases we directly repay all unsecured creditors by BACS payment on the day of completion (All included in our one off TT Fee of £35).

Requirement for the applicant to appoint their own solicitor - No.

If you choose our free fast track legal remortgage service, we will use our own appointed solicitor firm to act on behalf of West One. The borrower(s) will not require any separate legal representation unless we indicate independent legal advice is required.
